Banner cassettes - the face is made of printed vinyl for illumination. Cassettes made in this technique are characterized by unlimited size and shape. The face is stretched - stiff / like a percussion drum / There is LED lighting inside the cassette. The price includes a professional, comprehensive tensioning system with profiles + a printed banner. For double-sided coffers + 35% surcharge.

Price per m2 = EUR 220 + VAT 23%

We produce coffers in this technique only with a total amount of products above EUR 1,100 net.

otherwise, i.e. with smaller amounts - see the section - embossed coffers, eco-IKEA coffers, Alumex coffers.
