Cena brutto: 430,50 zł

Aluminex signs are made of aluminum with a brushed surface that imitates stainless steel or brass.

The print is painted directly on the surface (not foil!)

The label is glued with double-sided 3M adhesive tape (very strong and durable tape)

When placing an order by e-mail, please provide a list of names, numbers, pictograms - we will prepare the project for approval.

Pictogram: 10 x 10 cm.
