Panels / Plates can be used to build Information Boards or as information plates on the door and at the door.

The content is replaceable after tilting the first layer of acrylic glass - easy and quick replacement.

Two upper aluminum profiles anodized in silver satin.

If you intend to build an array - please send your inquiry by e-mail - what is the required number of panels.

We will send back the graphic design including the dimensions and price of the base.

The base is made of brushed silver or gold aluminum.

Fastened with steel spacers.

Panel: 30 x 10 cm: 8 EUR

Panel: 20 x 5 cm = 5 EUR

Prices + VAT 23%

Minimum quantity: 5 pcs.
