Cena netto: 1 800,00 zł

Cena brutto: 2 214,00 zł

Board made of tempered, chamfered and ground glass.

The size of the board for tenants is 1500 x 800 mm, and the size of the board for companies renting office space is 300 x 100 mm.

The plates are made of brushed aluminum and the full color graphics are printed digitally.

The price of the board includes printing of the headline, printing of outlines for tenants' plaques, sticking with frosted foil on the back of the board and stainless steel spacers.

The price of the board does not include the price of the boards, which are added or removed successively, depending on the turnover of companies renting space in the building.

Plate price: EUR 15 / pc. Net.
